## VOCABULARY: ECONOMIC TERMS

### A Choose the correct words to complete the text about a small business.

When I started my own business, I borrowed about €10,000. I don't pay a high (11)(borrowing / interest) rate – only three per cent. I also benefit from tax (12)(incentives / increases). They're designed to encourage new businesses like mine. Only a few years ago, there was a lot of government (13)(inflation / bureaucracy) that made it difficult to start a business. But the laws have changed, and now it is much simpler. The (14)(unemployment / employment) rate in my country is high, and the government wants to create new jobs. They're also trying to encourage foreign (15)(incentives / investment) to help build up the economy.
