

DR. CARLOS HÉCTOR ÁVILA BELLO

Artículos

| Año | Nombre del artículo | Revista | ISSN | Autores | No. (Vol) | Págs. | Enlace electrónico / doi |
|------|---|--|-----------|---|-----------|---------|---|
| 2014 | Tree structure and diversity in traditional popoluca coffee agroecosystems in The Los Tuxtlas Biosphere Reserve (Mexico) | Interciencia | 0378-1844 | G. Castillo-Capitán; C. H. Ávila-Bello; L. López-Mata y F. de León-González | 39(9) | 608-619 | https://www.interciencia.net/ |
| 2016 | Traditional coffee agroecosystems in the Los Tuxtlas Biosphere Reserve, Veracruz: a refuge for ecologically important Coleoptera | Global Advanced Research Journal of Agricultural Science | 2315-5094 | Salinas-Castro y C. H. Ávila-Bello | 5(6) | 224-234 | http://garj.org/garjas/home |
| 2017 | Native arbuscular mycorrhizal fungi effectiveness on the growth of four forest species from the Santa Marta Mountain, Veracruz (Mexico) | Forest Systems | 2171-9845 | Retama-Ortiz, Y; C. H. Ávila-Bello; Alarcón, A. y R. Ferrera-Cerrato | 26(1) | 1-9 | https://doi.org/10.5424/fs/2017261-09636 |
| 2018 | Complex Systems, Agroecological Matrices, and Management of Forest Resources: An Example of an Application in Los Tuxtlas, Veracruz, Mexico | Sustainability | 2071-1050 | Ávila-Bello, C. H.; Hernández-Romero, A. H.; M. Mendoza-Briseño y D. Vázquez-Luna | 10 | 1-16 | https://doi:10.3390/su10103496 |
| 2019 | Biodiversidad y diversidad biocultural: más allá del presupuesto | Este País | 0188-5405 | Ávila-Bello, C. H. | 336 | 26-29 | https://estepais.com/ |
| 2019 | Lucha de paradigmas en la ciencia mexicana | Este País | 0188-5405 | Ávila-Bello, C. H. | 337 | 40-44 | https://estepais.com/ |

Libros

MAESTRÍA EN DESARROLLO AGROPECUARIO

| | | | | |
|---|--|----------------------------|-------------------|---|
| UNCCD 3rd Scientific Conference | A crossroad between traditional knowledge and science towards regional sustainability: land management, water quality and forest recovery in the Huazuntlan River basin, Los Tuxtlas, Veracruz, Mexico | Marzo 9-12, 2015 | 978-2-35682-379-3 | Ávila-Bello, C. H., A. H. Hernández-Romero, S. Franco Duarte, M. Cervantes Cruz y B. Márquez Juárez |
| Fifth International Ecosummit. Ecological sustainability, engineering change | Agroecosystems in the tropics: Biodiversity, peasant livelihood and sustainable production in Sierra de Santa Marta, Los Tuxtlas, Mexico | Ago 29 a sept 2, 2016 | | Ávila-Bello, C. H. y A. H. Hernández-Romero |
| Fifth International Ecosummit. Ecological sustainability, engineering change | Agricultural diversification based upon biological and cultural diversity in a disturbed tropical landscape, in Los Tuxtlas, Mexico | Ago 29 a sept 2, 2016 | --- | Hernández-Romero, A. H. y C. H. Ávila-Bello |
| Sixth International Symposium in Farming Systems Design | Complex systems, agroecological matrices, and management of forest resources in Los Tuxtlas, Veracruz, México | 18 al 21 de agosto de 2019 | | Ávila-Bello, C. H. y A. H. Hernández-Romero |
| Sixth International Symposium in Farming Systems Design | Soil health in pasturelands under rotational grazing in sierra de Santa Marta, Mexico | 18 al 21 de agosto de 2019 | | Hernández-Romero, A. H. y C. H. Ávila-Bello |
| Sixth International Symposium in Farming Systems Design | Agroecological design and productive diversification in coffee agroecosystems for family livelihood at sierra of Santa Marta, Mexico | 18 al 21 de agosto de 2019 | | Hernández-Romero, A. H. y C. H. Ávila-Bello |
