## DISEASES, ILLNESSES.

### Conversación 1

**Objetivo:** Hablar sobre problemas de salud y dar recomendaciones.

En esta conversación se usa el verbo modal **should** para dar consejos y sugerencias, también las partes del cuerpo para expresar malestares.

### A sore throat problem.

**Samuel:** What's the matter Blanca? Are you OK?

**Blanca:** I feel bad , I have a sore throat.

**Samuel:** What are the symptoms?

**Blanca:** I have some headache and the sore throat.

**Samuel:** Do you have fever?

**Blanca:** No, I don't.

**Samuel:** You **should eat** honey and lemon.

**Blanca;** I did, and I still feel bad.

**Samuel:** You **should buy** some halls drops.

**Blanca:** I ate a package last week.

**Samuel:** Then you should go to the doctor.

## Conversación 2

### A diarrhea problem

**Doctor:** What's the matter Anna?

**Anna:** I feel bad , I have diarrhea

**Doctor** When did you start with the diarrhea?

**Anna:** I started last weekend.

**Doctor:** Do you have fever?

**Anna:** No, I don't.

**Doctor:** Do you have other symptoms?

**Anna:** I also have stomachache

**Doctor:** Do you have headaches?

**Anna:** No, I don't.

**Doctor:** You **should drink** much water and some chamomile tea.

**Anna:** Is that all?

**Doctor;** You **should rest** and you **should not eat** spicy food.

**Anna:** What about some medicine?

**Doctor:** You do not have fever, so with the chamomile tea you will be fine.

### Conversación 3

#### At the pharmacy

**Objetivo:** Hablar sobre problemas de salud y dar recomendaciones en el contexto de una farmacia.

**Amanda:** Good afternoon. May I help you?

**Kim:** I have a cough. What can I take for that?

**Amanda:** First you should drink lots of fluids.

**Amanda:** Do you have headache?

**Kim:** Yes, a little.

**Amanda:** Then you might have influenza

**Kim:** Is that bad?

**Amanda:** Not really.

**Amanda:** Are you allergic to any drugs?

**Kim:** I'm allergic to penicillin.

**Amanda:** Then you can take some aspirin for the headaches and nothing for the cold.

**Kim:** Why not?

**Amanda:** because first we need to know what you have a cold or influenza.

**Amanda:** You can take one aspirin every eight hours as needed.

**Amanda:** This will help you feel much better.

**Kim:** Thanks so much.

**Amanda:** You're welcome

**Kim:** How much is it?

**Amanda:** That's \$ 200

**Kim:** Do you accept credit cards?

**Amanda:** Yes, I do.
