Subject: **UNESCO/POLAND Co-Sponsored Fellowships Programme in
Engineering, Edition 2024**

Sir/Madam,

I am pleased to inform you that, within the framework of *the UNESCO/Poland Co-Sponsored Fellowships Programme in Engineering, Edition 2024*, the Polish National Commission for UNESCO and the UNESCO Chair for Science, Technology, and Engineering Education at the AGH University of Krakow have placed at the disposal of UNESCO **thirty (30)** fellowships in the field of **Science, Technology and Engineering** for the benefit of a number of invited Member States (see Annex I). The selected fellows will be given the opportunity to undertake an individual research programme for a duration of six (6) months between 1st October 2024 and 31 March 2025.

The annexes to this letter provide the detailed information regarding the qualifications required, the facilities offered, the general conditions governing the award of fellowships, the procedure for submission of applications, as well as different fields of research proposed by the host university.

This programme is offered in open competition. Only the candidates who meet the criteria and the required qualifications as stipulated in the Annexes will be selected. Given the high priority that UNESCO attaches to gender equality, special attention should be paid to women candidates for an equal representation.

I would be most grateful, if you could submit the candidatures, including the application forms and all the required supporting documents by email to agh.poland@unesco.org (with unesco24@agh.edu.pl and j.markiewicz@unesco.pl in copy) by **10 May 2023 (12h00 pm Paris time) at the latest.**

Yours sincerely,

Anthony Ohemeng-Boamah
